

Remarks

Claims 1-11 were pending. By this amendment, claim 10 is cancelled without prejudice to prosecution in a future application. No new claims were added. Therefore, claims 1-9 and 11 are now pending.

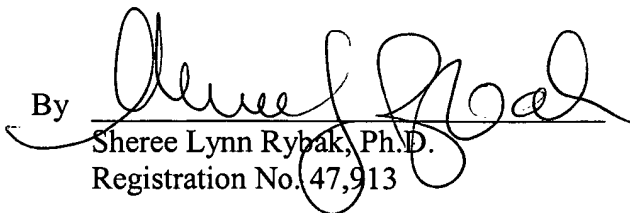

Claims 2-6, 8, 9, and 11 were amended to comply with US practice. For example, claims 2, 5, 6, 8, 9, and 11 were amended to correct antecedent basis. In addition, claims 3 and 4 were amended to clarify the claims (support can be found on page 6, lines 2-6 and page 11, lines 6-8). Claim 11 was also amended to clarify the claim (support can be found on page 10, lines 11-14 and page 27, line 20 – page 28, line 1). No amendments were made to distinguish prior art.

By this amendment the specification has been updated to reflect prior related applications, to insert the abstract on a separate page, and to include the sequence listing containing reference to the prior application.

No new matter has been added by this amendment.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
